

ALTERNATIVE EDUCATION

Layers of Language:
Greek Combining Forms

Marcia K. Henry, Ph. D.
Professor Emerita,
San Jose State University

~ Module 13, Session 11 ~ Activity 2

- Circle the two Greek combining forms in each of the following words:

photograph

microscope

dermatology

bibliophobia

monologue

telephoto

hydrophone

thermometer

democracy

metropolis

hypodermic

chronometer

psychobiography

technocrat

megapod

- Either individually, or with a partner, see if you can provide the meaning of each combining form.
