

ALTERNATIVE EDUCATION

Layers of Language:
A Brief History of Written English

Marcia K. Henry, Ph. D.
Professor Emerita,
San Jose State University

~ Module 13, Session 2 ~ Activity 3

- A. In teams of 2 or 3, think about common English words that come from other countries or regions such as Mexico, Germany, China, Southeast Asia, etc.
- B. Generate new words from science, technology, and American culture common today.
- C. Discuss words common to your section of the country. How do they differ from words stemming from other regions?
