

ALTERNATIVE EDUCATION

Layers of Language:
Anglo-Saxon Morpheme Patterns

Marcia K. Henry, Ph. D.
Professor Emerita,
San Jose State University

~ Module 13, Session 6 ~ Activity 1

Word expansion:

Take a minute or so to jot down 10 or more compound words. Each person in the group will then read their compound words.

Next, take a minute or more to write down 10 or more affixed words. Try to use only Anglo-Saxon base words with common prefixes and suffixes. Share your words with the group.

In pairs, make a web affixing the Anglo-Saxon base word, *word*. You will also be able to have a category of compound words containing *word*.

Word:

Small Group Activity 3:

Working in pairs, design an activity sheet for high school students related to suffix addition. For example:

Instructions.....

glad + est = _____

glad + ness = _____

shame + ed = _____

shame + less _____

boy + ish = _____

joy + ful = _____

try + ed = _____

try + ing = _____

silk + y = _____

teach + er = _____
