

ALTERNATIVE EDUCATION

Module 9 Session 2

Quick Write 1

1. Think back when you were in school. Describe the different methods the teacher used to assess you.

2. Do you think the measures your teachers used to assess you indicated how good of student you were in school? Why or why not?

3. How do you think the classroom assessments in your classroom are different than those in alternative educational settings?

4. In your opinion, what are the best types of classroom assessments teachers in alternative educational settings can use with their students?
