

# ALTERNATIVE EDUCATION

## Module 9 Session 4 Student Group Activity 3

Objective 4.4.3: Students will describe the eligibility process for students with disabilities.

1. List the basic eligibility process steps for identifying a student with a disability.
2. What role does assessment play in the eligibility process for students with disabilities?
3. Most students with disabilities are identified in elementary school. Why might a student be identified as having a disability in a secondary, alternative educational setting?
4. What issues are raised by an educational system that identifies a student with a disability in a secondary, educational setting? How can the system be improved?
