

ALTERNATIVE EDUCATION

Alternative Education Overview:
What is Alternative Education?

Lou Denti, Ph.D.
Special Education Program
California State University, Monterey Bay

~ Introduction, Session 1~ Quick Write

In pairs or small groups discuss the four alternative educational settings from the presentation. Identify examples of each type of setting within your district, county, or state. Identify programs designed to address the needs of youth at risk of school failure before these youth end up in an alternative education setting.
