

ALTERNATIVE EDUCATION

Behavior Intervention and Support Module:
Powerful Teaching

Lou Denti, Ph.D.
Special Education Program
California State University, Monterey Bay

~ Module 3, Session 8 ~ Quick Write

- Write down why you think it is important to provide students with challenging behaviors a clear classroom structure, especially in regards to instruction. What does it communicate?
- Write down what you think the relationship is between academic engagement and problem behavior.
- Jot down four or five things that you do to engage students in learning.
